

HOW TO ORDER

* Orders are taken by preference. You can email, fax or call orders in to your Account Executive (Online ordering will be available in 2026)

* You can place an order up to 9 months in advance and even schedule custom grows

* Throughout most of the year, we can do Same Day Pick Ups and Next Day deliveries. At seasonal peaks, we need a 48-hour notice. We encourage you to order as early as possible.

* We recommend using PO# when placing multiple orders.

* We do not allow on-site shopping. This is for your safety. Your Account Executive can arrange a walk through with you to see plant material in person. We can send 'day of' photos at your request anytime!
